AIRBRUSH ADD-ON

My signature airbrush add-on will have you looking red-carpet-ready. Airbrush makeup is tiny "pixels" of pigment that uses a compressor & air pen to gently mist foundation to your face. Made for photo-ready makeup, it is exceptional for long-wearing makeup. If you've had airbrush makeup done and didn't like it, try it again, you'll love my techniques.

FALSE LASHES A-LA-CARTE

This service includes eyeliner, mascara, and a false lash application. False lashes are measured and trimmed to perfectly fit and flatter your eye shape.

***Please note, Meira Beauty can NOT apply false lashes any client brings in themselves. Thank you for your understanding!
